OBJECTIVE

I'm a UI/UX designer who lives in Sheffield, England. I'm always nerding out about design, whether it's coming up with concept UI or new card game ideas. I'm looking to expand my design knowledge.

WORK EXPERIENCE

UI/UX Designer x r2c Online

08/2016 - Present x Sheffield, UK
Work with product stiring group to identify problems and opportunities within the platfom. Produce and present wireframes of low or hi-fidelity designs for the product team and interal stackholders. Involved in customer research sessions.

UI/UX Designer x Meetupcall

08/2016 - 05/2019 x Doncaster, UK

Establish and produce a constant design language for all output, including user interface and application design, and websites in-line with the brand.

Junior Web Designer x Diva Creative

04/2015 - 12/2015 x Sheffield, UK

Worked with a close-knit team to create a wide range of digital projects, including apps, responsive sites, and animations.

EDUCATION

Bachelor of Fine Arts x University of Iowa

Graphic Design x Honors
05/2011
